Absolutely. I looked at your calendar. Looks pretty busy. I saw a window from 2:30 to 3:00, so I sent you an invite. I'm also available most any time before or after that if you just want to stop by my cube.

Thank you so much for your help with this review.

Carter: Do you have some time today (maybe 10 min) to talk about my review? I read the cultural resources section of the document, and feel a bit confused about the kinds of comments it might be useful to provide.

Hi Laura,

Attached are the 2 files I sent with my original message. It appears that the FS website for this EIS is

now down. I have called the FS to see when it will be back up but haven't heard back. I had previously downloaded the document in its entirety and am more than happy to share it with you on CD or flash drive.
